FILE NO. 45-69

The Chief Secretary to the Government of

Dated Bangalore, 12th August 1919.

SIR,

I am directed to forward for the information of the

1. Extract paras 1 to 3 of letter from the Government of India, Department of Education to all Local Governments and Administrations No. 273, dated the 13th March, 1919.

2. Telegram from the Government of India, Department of Education to certain Local Governments and Administrations No. 533, dated the 23rd May 1919.

pils of educational institutions to commemorate the conclusion of the Great War.

2. If the Durbar are desirous of utilizing the medals, which are being struck in England, indents could be met on payment. The design which has been forwarded to the India Office has on the obverse an effigy of His Imperial Majesty the King Emperor, and on the reverse side, a wounded British Soldier and a wounded sepoy helping each other.

3. In the event of the Durbar desiring to indent

am to ask that similar information to that called for in para 3 of the letter cited in the margin, may kindly be furnished to me as soon as possible.

The matter is of some urgency as it will be desirable to get the medals delivered in time for distribution during Peace Celebrations next cold weather.

I have the honour to be,

Sir,

Your most obedient servant,

.S

First Assistant Resident.

Extract paragraphs 1 to 3 of letter from the Government of India, Department of Education, to all Local Governments and Administrations No. 273, dated the 13th March 1919.

It has been suggested that commemorative medals should be presented to students and pupils of educational institutions to mark the conclusion of the Great War. A suitable time for the distribution would be the formal declaration of peace, although in the present condition of the mints it is doubtful whether it will be possible to arrange for the medals so soon.

2. I am therefore directed to state that, if arrangements can be made, the Government of India propose to have medallions struck not unlike those described in my letter No. 1036-1045, dated the 20th July 1911. This medallion like that struck for the Delhi Durbar would probably be 1.25 inch in diameter and unless it is found possible to adopt a suggestion which has been made that the metal of German guns should be utilised it will be composed of cupronickel with a suitable design and a ribbon. The cost including packing and freight on the occasion of the distribution of Durbar medallions was Rs. 3,000 per each lakh of ~~medallions~~ medallions. It is difficult to give a certain estimate of the cost on the present occasion, but this will be intimated later.

3. I am to say that the Government of India will be glad if, with the permission of His Excellency the Governor in Council ^{etc} the estimates of the number of recipients may be sent to the Government of India in this Department. It will be convenient if indents submitted by local bodies and private associations are amalgamated with those forwarded by the local Government. It is thought that local bodies and associations will, as on the former occasion, assist the local Governments in meeting the cost of medallions for which they propose to indent.

Letter No. 807, dated the 28th June 1920, from the Secretary to the Government of India, Department of Education, (Education), Simla, to All local Governments and Administrations except Madras and Burma.

---:O:---

I am directed to refer to the correspondence ending with this Department letter No.134, dated the 6th February 1920, on the subject of the presentation of commemorative medallions to students and pupils of educational institutions to mark the conclusion of the Great War.

2. The Government of India regret the unfortunate delay which has occurred in England in the supply of these medallions. But they hope that the local Governments and Administrations will in the near future receive the medallions indented for by them. Instalments of them have already arrived in this country. It has been arranged, in consultation with the Government of Bombay, that the Superintendent of Stationery, Bombay, will forward the requisite number of medallions along with the ribbon to the headquarters of each local Government Administration who will in turn make their own arrangements to forward its them to the proper authorities.

3. The Government of India think that, as the medallions have arrived far too late for the peace celebrations, some appropriate date might suitably be chosen which would give point to their distribution. They suggest that the day on which His Royal Highness the Prince of Wales will unveil the all-India War ~~Memorial~~ Memorial at Delhi will be a fitting occasion for giving the medallions. This ceremony will probably take place on the 11th February 1921. The suggestion is made for the consideration of H.E. the Governor in Council
H.H. the Lt Governor (in Council)
the Hon'ble the Chief Commissioner.

Dated Bangalore, 4th December
November 1920

SIR,

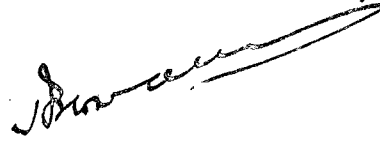

I am directed to invite a reference to your letter No. Pol. 264, dated the 25th August 1920, and to say that, in consequence of the postponement of the visit to India of His Royal Highness the Prince of Wales, it has now been decided that the All India War Memorial at Delhi will be unveiled by His Royal Highness the Duke of Connaught on the 10th February 1921. At the instance of the Government of India, I am to suggest, for the consideration of the Durbar, that this day might be fixed for the presentation of commemorative medallions to students and pupils of educational institutions in the State to mark the conclusion of the Great War.

2. As intimated in your letter No. Pol. 547, dated the 21st November 1919, the cost of the medallions required by the Durbar may be paid through Messrs. Coutts & Co., in England, but the incidental charges, such as those connected with the landing and the despatch of the medallions from Bombay to Bangalore should be paid in India.

3. The medallions are expected shortly and will be
forward

forwarded as soon as they are received.
